

HCPA Committee Formation Social

The Board would like to invite members interested in volunteering for the club to a short presentation @ 7:00pm on August 15th at the Schooley Mill Park located at 12975 Hall Shop Rd, Highland.

We will present information on the new Board structure which includes various committees and provide examples of some of the short term volunteer needs. You can explore which committee/opportunity would be best suited to your interest, ability and availability. Your time is valuable, but a few hours a week or a month will make a big difference in the events and services the club can offer to its members.

Board Directors will be on hand to answer questions and to listen to your ideas. The club cannot continue to fully operate or grow without additional volunteers. Your participation is important to us. A few hours a month can make all the difference.

Please send a quick email to Joanne.Griesser@verizon.net if you are able to attend the presentation. Bring a chair and your paddles. After the meeting, we will set up some nets and play. Light refreshments will be provided.

Examples of Committees:
